Dear

The Subcommittee staffs have had a number of publications and studies identified to them by CIA and other intelligence community personnel which directly relate to their current efforts.

It would be appreciated if you would furnish the staff with the following studies:

- CIA/NFAC - Comments on the Senate Select Committee on Intelligence Staff Report - U.S. Intelligence Analysis and the Oil Issue, 1973-1974.
- IC Staff - Intelligence Community Support to Research and Development, October 1977.

MORI/CDH

Your cooperation is appreciated.

Sincerely,

  
Thomas K. Latimer  
Staff Director
